Honorable Adviser, Ministry of Education & Ministry of Commerce, Government of Bangladesh

It gives me great pleasure to learn that East West University is going to hold its seventh convocation on 3rd March 2008. Our ministry supports and recognizes the endeavours of the private sector in bestowing quality education at the tertiary level and East West University's efforts over the last decade or so have certainly been commendable; I hope it will continue to offer quality University education in the coming years too. I must congratulate East West University for attaining an eminent position amongst the private universities of the country.

In concluding, let me also congratulate the graduating students, their parents and the East West University family on this auspicious day.

Dr. Hossain Zillur Rahman
