Message

I am happy to learn that the 7th convocation Ceremony of East West University is going to be held in Dhaka on the 3rd March 2008. On this occasion, I congratulate the graduating students, their parents and the faculty members.

I hope that the students graduating from this university will make use of their knowledge to serve the society and contribute towards socio-economic development of the country.

I wish the Convocation all success.

Dr. Fakhruddin Ahmed
