

MS in Data Science & Analytics
MPS Department, EWU

May 02, 2024

Notice

This is to inform that the following courses will be offered in Short Summer 2024 for the students of MS in Data Science & Analytics. Students are allowed to take maximum two courses. There will be two classes for each course. The duration of each class will be 2 hours 30 minutes.

DSA5005: Multivariate Statistical Analysis

DSA5006: Machine Learning

DSA5011: AI & Deep Learning

DSA5043: Business Process Analysis

DSA5063: Bioinformatics

DSA5099A: Research Project Part – I

DSA5099B: Research Project Part – II

For further information, please contact Dr. Md. Sohel Rana, Associate Professor, Department of Mathematical & Physical Sciences, EWU; E-mail: srana@ewubd.edu; Phone: 01770138390.
