

VC NEWSLETTER

VOL. 3 ISSUE 2

APRIL 2026 - JUNE 2026

MESSAGE FROM THE VC

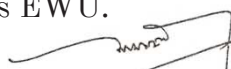

As we move through another eventful academic term at East West University, I would like to share some promising developments from across our academic community.

Last year, East West University celebrated Research Day 2025, recognizing research excellence and honoring the contributions of its academic community. Through research presentations, panel discussions, and an awards ceremony, the event provided a platform to showcase ongoing work, exchange ideas, and acknowledge those whose scholarship has contributed meaningfully to the University's growing research culture.

To build on this momentum, we have revised the 'Policy for Research Publication and Faculty Development Awards'. The 'Faculty Publication Award Program', previously limited to Q1 publications, has now been extended to include Q2 and Q3 journals. Furthermore, research grant activity has grown significantly, with an 82% increase in research proposals submitted to EWUCRT since the last quarter. Our academics are also increasingly securing research funding from external sources, reflecting a growing interest in pursuing research and competitive funding opportunities.

It is also encouraging to see the rise in seminars organized by both EWUCRT and our academic departments. From January to August 2026, academic departments organized 54 seminars, while EWUCRT organized 22 seminars. We have also planned to increase the number of Knowledge Sharing Seminars and Public Lecture Series, which will bring renowned professionals, researchers, and industry experts from leading institutions to EWU to share their critical insights, emerging industry trends, and professional experiences. Beyond providing platforms for sharing research and expertise, these events have become valuable spaces for collaboration, dialogue, and shared learning among the wider academic community. This is the kind of active academic exchange and engagement that we want to see grow further at EWU.

We look forward to seeing this spirit of inquiry and collaboration grow across EWU.

Professor Dr. Shams Rahman
Vice Chancellor
East West University

SEMINAR AND WORKSHOP

On 07 May 2026, Professor Dr. Dilara Begum, Chairperson, Department of Information Studies, was invited to the workshop on 'Increasing the visibility of the regional resource center and the library using digital platform.' The workshop was organized by the SAARC Tuberculosis and HIV/AIDS Centre (STAC), Kathmandu, Nepal. Dr. Begum shared valuable insights on digitization, library automation, and the effective use of system software to enhance the visibility and accessibility of regional resource centers and libraries through digital platforms.

Professor Dr. Begum was invited at an international seminar titled "Building Smart Campuses: National MIL Network Initiative for Higher Education" on 10 May 2026. The seminar was organized by Academia International College, Gwarko, Lalitpur, Nepal. The topic of her Keynote speech was "Combatting Information Disorder on Campuses through Media and Information Literacy".

Professor Dr. Begum was invited as a Guest speaker to the seminar on Cyber security and digital information awareness. The seminar was organized by the Center for Research and Development (CRD) of Army Institute of Business Administration (Sylhet) on 16 April 2026. The title of her talk was "Navigating Information in the Digital Age: Strengthening MIL through collaboration and network."

Professor Fouzia Mannan, Chairperson, Department of Sociology served as a panel discussant at a seminar titled "The Emerging Science and Practice of Scaling: Taking Innovations to Impact, South-South Learning | Capacity Sharing" organized by the CGIAR Scaling Hub South Asia, anchored by IWMI under the Scaling for Impact Program on 17 June 2026 (Virtual). The full-day session brought together universities, research organizations, and extension partners across South Asia and Africa to build a shared understanding of scaling science and strengthen the environment for delivering agrifood and water innovations at scale.

Professor Mannan along with her co-investigator, Dr. Deepa Joshi, disseminated the research findings of their project titled, "Assessing the Enabling Environment, Institutional Capacity, and Pathways to Transformative Gender-Responsive Budgeting in Bangladesh," at a seminar organized by the Department of Sociology. The collaborative research involves the Ministry of Finance, Government of Bangladesh, and other key government agencies, in partnership with the International Water Management Institute (IWMI) and East West University, and is funded by CGIAR.

Dr. Mumita Tanjeela, Dr. Rasel Hussain, and Helal Uddin, of the Department of Sociology, East West University, participated in the Sundarbans Summit 2026 (21–23 May) as part of their ongoing research project, "Forest-Dependent Communities of the Sundarbans and Their Livelihood Vulnerabilities," funded by the East West University Center for Research and Training (EWUCRT).

SEMINAR AND WORKSHOP

(CONTINUED)

Ahmed Adnan, Lecturer, CSE Department delivered a talk titled “CLARA: A Developer's Companion for Code Comprehension and Analysis,” at the seminar organized by the department. In his talk, he addressed the challenges developers and researchers face when comprehending and analyzing open-source software codebases using existing tools. He introduced CLARA, a browser extension that leverages state-of-the-art inference models to assist users in code comprehension, code refactoring, and code quality attribute detection.

Ms. Sanzana Karim Lora, Lecturer, Department of Computer Science and Engineering gave a talk titled “The Ghost in the Machine: How ChatGPT Actually Works,” at the seminar organized by the department. In her talk, she explored the fundamental concepts behind ChatGPT and large language models, explaining how machines learn from vast amounts of text to generate human-like responses.

MEDIA

Dr. Anisur Rahman Khan, Associate Professor, Department of Sociology has written an Op-Ed, “বাংলাদেশে ধনী-দরিদ্রের ব্যবধান ও সামাজিক বিভেদের গভীর ক্ষত,” published in the *দৈনিক বাংলাদেশের আলো* on 15 May.

Dr. Khan has also written an Op-Ed, “বজ্রপাতের কালো ছায়া: গ্রামীণ জীবনের সংকট এবং বিগত বছরগুলোতে সরকারি নিষ্ক্রিয়তা,” published in the *দৈনিক বাংলাদেশের আলো* on 4 April.

Ishtiaq Mohammad Fakhruddin, Lecturer, Department of Sociology has written a piece titled “তেলাপোকার প্রতিরোধ ভারতে কেন এত আলোড়ন তুলল,” published in *Prothom Alo Online* on 24 May 2026. He has also written a piece titled “Who Counts as a Worker,” published in *The Daily Star* on 30 April.

Dr. Nazia Hoque, Associate Professor of the Department of Pharmacy, was featured in *The Business Standard* for her academic achievements, research contributions, and Fulbright Visiting Scholar experience on 13 June.

Shaharima Parvin, Senior Assistant Librarian, wrote an article titled “Celebration of International Archives Week 2026: From participation to pioneering practice at Dr. S. R. Lasker Library,” published in the *IFLA Academic and Research Libraries Section News* on 22 June.

Ms. Afrin Sultana, Senior Assistant Librarian, and Md. Abdul Latif, Assistant Librarian wrote an article titled “ওপেন এক্সেস- উন্মুক্ত প্রকাশনা ও তথ্য প্রবেশাধিকার আমাদের জন্য কি আশীর্বাদ?,” published in *The Daily Dosh Shamachar* on 23 April.

Shaikh Mirazur Rahman, Lecturer and Sadika Nousheen, former Editor, Dhaka Law Review have written a blog titled “Bangladesh Industrial Design Act, 2023: Reforming Industrial Design Law After a Century,” published in the *Dhaka Law Review* on May 11.

Mr. Rahman has also written a newspaper article titled “Our Animal Protection Laws,” published in *Law & Our Rights, The Daily Star*, on April 10.

FACULTY ACHIEVEMENT

PUBLICATION REWARD

Professor Dr. Shamim H. Ripon, Department: Computer Science and Engineering, has received the publication reward for his article titled “DeFaX: A Cross-Attention Fusion Framework for Robust and Explainable Deepfake Detection” published in Q1 journal *IEEE Access*, vol. 13, page 213962-213979.

Professor Dr. Dilara Begum, Department of Information Studies, has received the publication reward for her article titled “Readiness to adopt artificial intelligence (AI) in libraries: a study from the lens of information professionals of Bangladesh,” published in Q1 journal *Digital Library Perspectives*, vol. 41 no. 4, pp. 666–682.

Professor Dr. Khairul Alam, Department of Electrical and Electronic Engineering, has received the publication reward for his article titled “Performance Analysis of an n-Channel HfS2 Monolayer Transistor” published in Q1 journal *IEEE Access Electronic*, vol. 14, pp. 19786 – 19793. The article was published on 03 February 2026.

Dr. Md. Tawfiq Sarwar, Associate Professor, Civil Engineering, has received the publication reward for his article titled “Predicting driver retention in ride-hailing platforms: an empirical study of socio-demographic and behavioral influences,” published in Q1 journal *Transportation Research Part F: Traffic Psychology and Behavior*, vol. 118. The article was published on 13 January 2026.

FACULTY ACHIEVEMENT

(CONTINUED)

Mohammad Pizuar Hossain, Senior Lecturer, Department of Law, received two competitive research awards from Monash University, Faculty of Law in Australia, awarded among PhD candidates for outstanding scholarly publications. He won the Emeritus Professor HP Lee Student Publication Prize (2024) for his article, “Transitional Justice to Address Genocide Denial: A Case Study of the Rohingya in Myanmar,” and received an Honourable Mention in the 2025 prize for “The Victimhood and Reparative Needs of Myanmar’s Rohingya: Towards Effective Reparations in International Law.”

Ms. Puja Chakraborty, Senior Lecturer, Department of Computer Science and Engineering (CSE), has been appointed as the Deputy Coordinator of Outreach and Public Relationships of the Erasmus Mundus Association – Bangladesh (EMA-BD). In this role, she is responsible for strengthening the organization's external engagement and visibility by building strategic partnerships, coordinating communication initiatives, and promoting EMA-BD's activities among students, alumni, and other relevant stakeholders.

Ms. Oishy Rahman, Lecturer, Department of Law, received the Best Paper Award for her paper “Rethinking the Definition of Refugee in Light of the 1947 Partition Displacement in India and Pakistan” at the *International Conference on Evolving Refugee Protection Architectures in South Asia 2026 (ICERPASA 2026)* held on 27 June 2026 at the Department of Law, University of Chittagong.

RESEARCH LEADERSHIP

Professor Dr. Dilara Begum, Chairperson, Department of Information Studies, delivered a Keynote Speech on “AI for Librarians” on the occasion of five-days training inauguration “Mastering Qualitative Data: Identification, Analysis, and visualization with NVivo.” The event was organized by the Central Department of Library and Information Science (CDLIS) at Tribhuvan University, Nepal on 11 May 2026. In her address, Professor Dr. Begum emphasized how libraries are navigating the transformative impact of generative AI and machine learning.

Professor Dr. Begum was invited as the Keynote Speaker at a Panel Discussion on Research initiatives organized by Peoples Campus, Kathmandu, Nepal. In her keynote address, Dr. Begum highlighted the importance of quality research, interdisciplinary collaboration, and the development of sustainable research culture in academic institutions. She also emphasized the role of information and digital literacy in strengthening research capacity and promoting knowledge sharing at both national and international levels.

Dr. Md. Mongur Hossain, Assistant Professor in the Department of Mathematics and Data Science, has been appointed to the Editorial Board of *Discover Condensed Matter*, a peer-reviewed journal published by Springer Nature. His appointment recognizes his research expertise and contributions to the fields of condensed matter physics and two-dimensional materials.

Dr. Md. Mahfuzul Haque, Assistant Professor of Physics, Department of Mathematics and Data Science, served as a Member of the National Advisory Panel of the prestigious 2026 IEEE *2nd International Conference on Quantum Photonics, Artificial Intelligence & Networking (QPAIN 2026)*, organized by the IEEE Photonics Society Bangladesh Chapter and held at the Chittagong University of Engineering and Technology (CUET) from 16–18 April 2026. He also served as Co-Chair

of the Technical Program Committee (TPC), contributing to the peer-review process, and chaired several technical sessions, reflecting his active engagement in the academic and research community.

Dr. Haque, was invited as a Guest Speaker on 9 May at Heed International School, where he delivered interactive STEM sessions to inspire scientific curiosity and critical thinking among school students as part of his community outreach activities.

Ms. Nadia Rahaman, Senior Lecturer, Department of Law, has been appointed as a reviewer for the *LEB Journal of Law and Policy*. In this role, she will conduct peer reviews of submitted manuscripts, evaluating the originality of the research, the quality of legal analysis, methodological rigor, coherence of arguments, and the overall scholarly contribution of the articles, while providing constructive recommendations to support the publication of high-quality legal research.

Ms. Rahaman also served as an evaluator for the Philip C. Jessup International Law Moot Court Competition 2026 and the IBA–ICC Moot Court Competition 2026. In this role, she evaluated a total of 12 written memorials submitted by participating teams, assessing their legal research, written advocacy, legal analysis etc. She also served as an adjudicator for the Intra-Department Moot Court Competitions at the Department of Law, East West University on April 11.

Ms. Rahaman, organized a workshop in collaboration with the United Nations Office on Drugs and Crime (UNODC) and Department of Law, East West University titled “Education for Justice: Trafficking in Persons (TIP) and Smuggling of Migrants (SOM)”, held at the SMNousher Ali Lecture Gallery on 15 April 2026.

She also served as an adjudicator in the Preliminary and Quarter-Final Rounds of the 4th Professor Khabir Uddin Ahmed National Moot Court Competition 2026, held at the University of Chittagong.

Ms. Mashraba Naziat, Lecturer, Department of Law, served as an adjudicator in the Preliminary and Semi-Final Rounds of the 1st UITS Intra-Law Colloquium 2026, held at University of Information Technology and Sciences. (UITs).

STUDENT ACHIEVEMENT

Team MatiPlus of EWU secured the 1st Runner-up position at Akij Resource presents Creaventure 4.0: National Idea Pitching Competition, organized by the Dhaka University Entrepreneurship Development Club (DUEDC). The competition attracted 1,066 participants, forming 348 teams from 62 districts across Bangladesh, with only 8 teams advancing to the grand finale. Representing MatiPlus, Md. Sadik Jamal Kowshik, a Civil Engineering student and CEO of the startup, presented an innovative circular economy solution that converts city sewage sludge into fertilizer.

Farabi Hasan, a student of the Department of Computer Science and Engineering, achieved significant recognition for his success in freelancing through the Grameenphone Academy Freelancing Factory program. Following his outstanding performance in the program, he was invited to share his freelancing journey on stage alongside Yasir Azman, Chief Executive Officer of Grameenphone. On 12 June 2026, he was recognized as one of the Top Earners of the Freelancing Factory program at a special ceremony held at Radisson Blu, where he received a certificate of recognition and delivered a brief speech. Subsequently, on 1 July 2026, Grameenphone Academy produced and published a promotional video featuring his freelancing journey across its official social media platforms, recognizing his achievements and inspiring aspiring freelancers across Bangladesh.

Talha Jubayer, a student of the Department of Law, represented East West University at the NSU Undergraduate Law Symposium Spring 2026. He presented his paper titled “Mob Lynching and the Constitutional Breakdown of the State’s Monopoly on Violence in Bangladesh”. Following his paper presentation, Talha Jubayer was declared the Champion of the North South University Undergraduate Law Symposium Spring 2026 — the highest distinction awarded at the event.

The Department of Law, East West University (EWU) delivered an outstanding performance at the International Conference on Evolving Refugee Protection Architectures in South Asia 2026 (ICERPASA 2026), held on 27 June 2026 at the Department of Law, University of Chittagong. Radia Nowsin, a student of the Department of Law, East West University, presented her research paper. In the Poster Presentation segment, in Panel 2, Tanjim Maliha received the Outstanding Poster Award, and Kazi Ayman Awsaf earned Honourable Mention for their poster presentation. In Panel 1, Samiatul Islam was awarded with the Best Poster Award.

STUDENT ACHIEVEMENT

Samia Binte Saroar, a student of Information Studies has been formally acknowledged by the International Federation of Library Associations and Institutions (IFLA). IFLA is the apex professional body in the field of Information Studies. This recognition comes in honor of her valuable contribution to the Bengali translation of the IFLA/UNESCO Multicultural Library Manifesto Toolkit. Her dedication to making global library standards accessible in our native language is a reflection to her academic excellence.

Four student research teams from the Department of Sociology presented their research papers at the 8th International Conference on Sustainable Development (ICSD 2026), held on 11–12 April 2026 at United International University (UIU), Dhaka, Bangladesh. The participating teams included: Naima Mumtaz and Farzana Nusrat; Israt Jahan, Israt Jahan Tithy, and Farzana Nusrat; Saubia Zaman Nuha, Umme Sumaiya, Ananna Roy Anchol, Sowmin Aziz Bonny, Aiurshi Banik Prithu, and Rifat Ara Zannat; and Mst. Fahima Akter Rima.

Students from the Department of Social Relations earned recognition at an inter-university poster competition hosted by Independent University, Bangladesh, on April 13, 2026.

The poster titled “The Sentinel System: AI-Driven Zoonotic Disease Surveillance for One Health,” presented by Muksitu Rahman Purnota, achieved an

even higher distinction by securing a position among the top 20. The competition was organized by the Department of Public Health under the theme “Together for Health, Stand with Science.”

Nazmun Nahar Niha, a PPHS student secured 2nd position in the Quiz Competition at the EDS Youth Symposium organized by The Department of Environment and Development Studies and the EDS Club at United International University.

Md. Mushfique Jalal Labib, a PPHS student, has successfully completed the fully funded international short course, “Improving Disaster Health and Climate Resilience in Nepal and Bangladesh,” under the EU co-funded RISK-E-SCAPE Project.

The RISK-E-SCAPE project represents a major international collaboration involving seven partner institutions from Greece, Italy, Portugal, Nepal, and Bangladesh. The programme brought together participants and experts from a distinguished international consortium, fostering knowledge exchange and capacity building in disaster health, climate resilience, and public health.

STUDENT ACHIEVEMENT

The Department of Law has concluded a historic run at the Advanced Rounds of the 18th Nelson Mandela World Human Rights Moot Court Competition in Geneva, Switzerland. Representing Bangladesh as the nation's sole qualifying institution among the top 24 teams globally, EWU delivered strong oral arguments against Universidad Católica Boliviana San Pablo (Bolivia) and the University of New South Wales (Australia). Following intense rounds, EWU's remarkable journey came to an end after a closely contested match against Australia's UNSW.

The EWU team comprised oralists Md. Salmun Alam and Shagufta Chowdhury Adrita, coach Nur-A Ariya Alam (Lecturer), and observer Abdur Rahman Jobair. This year, a record 122 teams from universities across the world participated in the competition. Following the written memorial evaluation stage, only the top 50 teams advanced to the oral preliminary rounds. East West University competed alongside prestigious institutions from around the world, including the University of Oxford (United Kingdom), University of New South Wales (Australia), National Law School of India University (India), Koç University (Turkey), and others.
