Subject: 101st Research Seminar titled “Characteristic Mode Analysis for the Miniaturization of an Antipodal Vivaldi Antenna for the Application of Microwave Imaging of Brain”

Dear Dr. Ryyan Khan,

Center for Research and Training East West University (CRTEWU) cordially invites you as a discussant of the seminar titled “Characteristic Mode Analysis for the Miniaturization of an Antipodal Vivaldi Antenna for the Application of Microwave Imaging of Brain” on 29 September 2024 at 9.00 am in CRTEWU Seminar Room (Room no- 560), 4th floor, Block-C of East West University. The presenter of the seminar is Dr. Farhana Parveen, Assistant Professor, Department of Electrical and Electronic Engineering, East West University. Your valuable thoughts and comments on the proposal will be deeply appreciated. In this connection, I am sending herewith the revised research proposal, program schedule and an abstract of the seminar for your perusal.

We are looking forward to your participation in the seminar.

Thanking you in advance for your co-operation.

Kind regards
