## **Online Course Advising Spring 2020**

Online course advising for Spring Semester 2020 will be held in the last week of November 2019 as it was done for Fall Semester 2019. For this purpose, students who have not activated their 'Login ID' in the last semester must activate their 'Login ID' within 25 November 2019 using the following link:

**<http://portal.ewubd.edu>**

Verification Codes will be sent to the concerned students' mobile numbers as well as their e-mail addresses which will be needed for activation of 'Login ID'. As such, the students who have changed their mobile numbers and e-mail addresses are required to update those with the Registrar's Office (Room #410) before activation of 'Login ID'.

For an error free Online Advising, it is mandatory for all students to participate in a Test Run (Not Actual Advising) of Online Advising to be held on 26 November 2019.

This is for information and necessary action by all students.
