

EWUCRT 85th SEMINAR

Research Seminar on

“Cleaning Intervention Strategies under Practical Environmental and Logistical Scenarios to Maximize Revenue of Soiling Affected Solar Panel Arrays”

East West University Center for Research and Training (EWUCRT) will organize a research seminar titled *“Cleaning Intervention Strategies under Practical Environmental and Logistical Scenarios to Maximize Revenue of Soiling Affected Solar Panel Arrays”* on 02 October 2022 at 10.10 am in EWUCRT Seminar Room (Room no- 560), 4th floor, Block-C of East West University. The presenters of the seminar are Dr. M. Ryyan Khan, Associate Professor, Department of Electrical and Electronic Engineering, East West University, and Dr. Redwan N. Sajjad, Associate Professor, Department of Nanomaterials and Ceramic Engineering, Bangladesh University of Engineering and Technology (BUET).

Your participation in the seminar will be deeply appreciated.
